PROPOSED TAX LEVY
PERRYSBURG EXEMPTED VILLAGE SCHOOL DISTRICT

A majority affirmative vote is necessary for passage.

Shall the Perrysburg Exempted Village School District be authorized to levy the following tax for current expenses? The tax will first be levied in 2024 to raise \$13,500,000. In the seven following years, the tax will increase by not more than \$2,000,000 each year, so that, during 2031, the tax will raise approximately \$27,500,000. The county auditor estimates that the rate will be 9.73 mills for each \$1 of taxable value, which amounts to \$341 for each \$100,000 of the county auditor's appraised value, both during 2024 and 19.81 mills for each \$1 of taxable value, which amounts to \$693 for each \$100,000 of the county auditor's appraised value, during 2031. The tax will not be levied after 2031.
